PAMPERED PETS GIFT GUIDE

THE LANGHAM PUPPICCINO

\$16

Made from all natural, preservative free human grade ingredients, it's a nutritious sugar free treat. Our probiotic carob Puppicino is made from goats milk which contains vitamins, minerals, electrolytes, trace elements, enzymes, protein, and fatty acids. The fat molecules are one-fifth the size of those in cow's milk and goats milk is digestible in 20 minutes and tolerable for dogs or cats with digestive issues. Carob is packed with vitamins, is rich in anti-oxidants and is naturally low in fat. Carob powder is pet friendly. This product is grain free, gluten free and preservative free.

THE LANGHAM PET ICE-CREAM

\$20

This "make at home" Pet Ice-Cream is 100% lactose free and made from all natural, preservative free human grade ingredients. Our flavourings are all organic and perfectly safe for dogs and cats. Our product is Australian made and sure to tantalise the taste buds of your pet. Our ice-cream is high in protein and low in fat. It contains no GMO's and is easier to digest than normal milk products for pet. Lactose free milk powder is high in calcium, potassium and vitamin D, which promotes strong bones and a healthy heart. Strawberries are packed with vitamins and rich in anti-oxidants and promote healthy eye sight. They have also been known to treat symptoms of arthritis. This product is grain free, gluten free and preservative free.
