JUNE RESTAURANT OF THE MONTH

THE ARBOUR

Fulfilling their lifelong dream, Chef Ian Gresik along with his wife Nancy Gresik opened their first restaurant as a farm-to-table fine dining restaurant focusing on local ingredients and exceptional service. "The Arbour" pays homage to the building in which it is housed while also sticking to the theme of a true California restaurant. The interior exudes a California ambiance with locally-sourced live wood table and bar tops, white glazed brick tile walls, and candlelit tables with pops of green foliage throughout. Chef Gresik has centered the menu on local farms to create seasonal menus that ensure all ingredients are robust in flavor.
